

With two security levels to choose from, this printer will help secure your check printing process. This model is fully compatible with TROY MICR cartridges and standard HP cartridges. **Fast printing and duplexing streamlines check printing.** Enjoy HP award-winning security & reliability combined with optimized security from TROY.

Key Benefits

Streamline Check Printing

Reduce the security risks of preprinted check stock by adding your logo, payee, signature, and MICR line all at the point of issue.

Add Layered Security

Enhance security with a personalized watermark across the face of the check and prevent check washing with MICR Toner Secure.

Simplify Your Workflow

Eliminate manual logging and chain of custody protocols with built-in tray locks and steel shielding to protect check stock.

The World's Most Secure MICR Printers

Standard HP LaserJet Printer

The World's Most Secure Printers protect your network from malicious intrusion.

HP Sure Start

Provide a secure boot process, with the ability to self-heal.

Whitelisting

Firmware is validated while printer is booting.

Run-time Intrusion Detection

Printer will automatically halt and reboot if any malware is detected.

Assurance of Security Policy Settings

Brings non-compliant devices into compliance and helps the admin with appropriate settings.

Real-Time Threat Detection

Keeps data from being exposed while it's in transit between nodes.

Enhanced TROY Printer

All of the HP Printer features with 15+ TROY MICR security features added.

Toner Sensing

Detects presence of MICR toner and prevents printing of MICR or other specified features.

MICR Fonts

Security fonts designed to be printer specific. Included fonts vary based on printer model.

MICR Toner Secure™

The World's Most Fraud Resistant MICR Toner; full standard yield cartridge included.

Paper Tray Locks

Physical locks prevent paper theft by refusing unauthorized access to resources.

TROY ExPT (Exact Positioning Technology)

Precise positioning of both the MICR line and the entire check image.
